

# OUR COMMITMENT TO SAFETY

*OR Manager* is committed to creating exceptional experiences that ignite connection and commerce, especially through our in-person events this fall. The health and safety for our event attendees, exhibitors and sponsors is of the utmost concern and priority of *OR Manager*. In an effort to maintain the health and well-being of all participants at our events, *OR Manager* has implemented new event standard operating practices and procedures.

**High traffic areas** (such as handrails, escalators, door knobs, elevator buttons, etc.) will be disinfected by the venue staff every two hours.

**Hand sanitizer** stations will be available throughout the event.

**Masks** will be provided for any attendee who wants one.

**Physical distancing** stickers and signage available for attendees and exhibitors.

**Larger aisles** and one-way aisles will be implemented on our exhibit floor.

**Conference sessions** will be set to allow for proper physical distancing.

**Self-serve registration** will be implemented whenever possible and physical distancing practices will be implemented (no lines, wider registration counters if help is needed).

**Food and beverage** services will be provided in a minimal contact way (i.e. no buffets, pre-packaged food is preferred and catering staff will be masked and gloved).
